

4130-[*]-[**]

*Number of contacts;
Options are:
3, 4, 5, 6, 7, 8

**Gender; Options are:
M = Male
F = Female

FEATURES:

- Metal cover: Nickel plated
- Easy assembly
- Solder type design
- Polarized and keyed to prevent mismatching

ELECTRICAL:

- Current rating: 1 AMP maximum
- Contact resistance: 20 milliohms maximum
- Insulation resistance: 500 Megohms minimum
- Dielectric withstanding voltage: 500 VAC

MATERIAL:

- Insulator: UL94V-0 / PBT glass filled
- Contacts: Pin = Brass
Socket = Phosphor bronze
- Plating: Tin plated
- Operating temperature: -55°C to +105°C
- Color: Black

Female
